CONNECT 2025: LONGEVITY

MAY 2-4, 2025

WANP's **CONNECT 2025** is THE premier continuing medical education conference for integrative health professionals in the Pacific Northwest. This year, we're excited to introduce some new options to let you choose your level of investment and engagement. Space is limited, so sign up soon!

SUPPORTING NATUROPATHIC
PHYSICIANS FOR OVER 90
YEARS

Exhibitor Options

We have heard your requests for opportunities to **present directly to our attendees** during our **virtual** continuing education conferences, and we are delighted to offer new options in 2025 to do just that! This year, you can opt to **feature your company through pre-recorded presentations** that will be advertised on our agenda and shared at pre-scheduled times during the weekend. Not to worry: We have maintained our “Basic” exhibitor option (at an even lower price point for 2025!) for those companies that simply enjoy supporting this event and having a presence at it. We’ve worked hard to trim out features that haven’t had great success and to add features that **give you the exposure you want**. We’ve also included mailing addresses of our attendees so you can further engage them by sending samples and information to those who opt in. We hope you’ll find a great fit for your company in this year’s options!

Exhibitor + Long Presentation | \$2,000* (limit 3)

During our weekend conference, up to 3 companies will have an opportunity to share a **pre-recorded presentation** (up to 30 minutes in length) about their offerings, products, or research, to be shown during a lunch hour. We will include presentation information (title and abstract) on our conference agenda to promote these offerings and to allow our attendees to plan accordingly. Our lunch presenters will enjoy the full benefits of our basic exhibitors (below), with the following upgrades:

- Exhibitor listing within the conference app with a large-size graphic
- Your company’s logo, advertisement, or graphic on up to 3 clickable scrolling banners visible on every page of the conference app
- 1/4 page ad in our CONNECT 2025 Conference Guide

Exhibitor + Short Presentation | \$1,000* (limit 6)

During our weekend conference, up to 6 companies will have an opportunity to share a **pre-recorded presentation** (up to 10 minutes in length) about their offerings, products, or research, to be shown during a break. We will include presentation information (title and abstract) on our conference agenda to promote these offerings and to allow our attendees to plan accordingly. Our break presenters will also enjoy the full benefits of our basic exhibitors (below), with the following upgrades:

- Exhibitor listing within the conference app with a medium-size graphic
- Your company’s logo, advertisement, or graphic on up to 2 clickable scrolling banners visible on every page of the conference app

Basic Exhibitor | \$500*

Our basic exhibitor option this year includes the following:

- Names, email addresses, and mailing addresses of CONNECT 2025 attendees to allow you to send swag, samples, and information directly to them
- Exhibitor listing within Conference App (includes small graphic/logo)
- Opportunity to load video or other content directly into your exhibitor page within the conference app
- Your preferred calls to action (e.g. schedule a meeting, request follow up) loaded directly into the conference app to make it easy for attendees to connect with you both during and outside of CONNECT 2025
- Your company’s logo, advertisement, or graphic on a clickable scrolling banner visible on every page of the conference app
- Your company logo included in all event communications and built directly into the conference app
- 1/8 page ad in our CONNECT 2025 Conference Guide
- Post-conference metrics to demonstrate how many attendees engaged with your company and how

*Corporate Partners receive 25% off list price.
